

**Making Sense of the Syllabus and Specifications Grading
Math 250**

- 1) It is half way through the semester. Ellen has a B in participation and has successfully presented one productive mistake. She received a 85% on the midterm and is working successfully on all homework stories, journals and reading assignments. Can she still get an A in the class?

- 2) It is the end of the semester. Jen has an A in participation, has passed both exams at 90%, presented her productive mistakes, has passed 2 journals, 3 reading assignments and 9 homework stories. What will her final grade be?

- 3) Tanja has participated at a D level, passed 5 homework stories, 3 journals, 3 reading assignments and presented her productive mistake. Both exam were above 65%. Can Tanja pass the class?
